Baragwanath Geology Research Scholarship

Please complete this application if you wish to apply for a Baragwanath Geology Research Scholarship in the School of Earth Sciences, The University of Melbourne. If you wish to apply for any other postgraduate scholarships, please contact the Melbourne Scholarships Office on (61 3) 9344 8747 for the relevant application form.

Applications for candidature for Masters or PhD courses must be submitted on a separate form, attaching separate copies of all requested documentation. Details are available by contacting the School of Graduate Studies on (61 3) 9344 8599 for PhD/MSc application forms. It is to your advantage to submit your masters or PhD candidature applications either prior to or simultaneously with your scholarship application, so that the School of Earth Sciences can become familiar with your qualifications, seek additional information if required and fully assess your eligibility.

We are unable to accept incomplete or late applications. Please refer to the checklist in question 22 before submitting your application. Please type or write in block letters using a black pen.

Scholarship application closing date: 29 November

Documentation Required

22. Checklist

Certification of a document can be obtained by producing the original document and a copy to an appropriate authority, such as a police officer, justice of the peace, solicitor, medical practitioner, school principal or bank manager. Alternatively, applicants may produce the original document and a copy to staff at the Melbourne Scholarship Office for certification

Residency status attached

Australian citizens must attach a certified copy of either an original birth certificate, birth extract, passport or citizenship certificate. Permanent residents who have lived in Australia for at least 12 months prior to the closing date must attach evidence of permanent residence status or relevant pages of your passport.

Field of Research attached

Applicants intending to undertake a PhD or Masters by Research must attach a 100 word research proposal.

Qualifications

Applicants seeking transcripts from any institution should make their request as soon as possible, as processes may take several weeks.

attached

Applicants currently enrolled at the University of Melbourne do not need to provide academic transcripts of any studies undertaken at the University. (Please ensure your student number in question 2 is correct.) However, if you have additional qualifications from another institution directly relevant to your proposed research, please attach a certified copy of your academic results to this form.

If you are currently enrolled in an Honours program at any institution, and have applied for Masters or PhD candidature, the University of Melbourne will obtain your Honours results from the relevant institution directly. However if successful you will need to provide proof of your final result when you commence your scholarship

attached

Applicants not currently enrolled at the University of Melbourne, must provide certified copies of official academic record to date, as issued by each university or institution, including marks as well as grades, if possible. If transcripts are not in English, an authorised translation must be provided.

attached

Applicants with Masters qualifications should attach examiners reports, if available.

Academic references for qualifications obtained outside the University of Melbourne

sent

Applicants with overseas qualifications should seek two written academic references. Applicants whose most recent qualifications were obtained at an Australian university other than the University of Melbourne should seek one written academic reference.

Written references should be completed on the attached forms and must be received by the School of Earth Sciences by 29 November. Please ensure you send the request to the referee in sufficient time for them to complete and submit their report by this date.

24. Declaration

I declare that the information supplied by me on this form is complete, true and correct in every particular. I acknowledge that the University may terminate any scholarship if I have misrepresented my past and/or present circumstances and that this termination may take place at any stage during the course I undertake. I am aware that I must not accept or continue to receive more than one offer of a scholarship from different institutions, and I must not undertake concurrent enrolment in another course, unless approval is granted from the appropriate University authority.

I authorise the University to obtain official records with respect to me and to seek other relevant information about me, including details of my enrolment, academic record, examination results, bond status, attendance and addresses during the year in connection with my application for my scholarship and with regard to any benefits payable to me under the Award.

I agree to abide by the institution's conditions of award as amended from time to time. I am aware that there are severe penalties for providing false or misleading information.
